Montessori education is a flow experience; it builds on the continuing self-construction of the child for the duration of the program. We do not adhere to traditional grade levels. Although you selected a grade level, through thoughtful and thorough observation and assessment, the faculty and administration will determine the appropriate placement and environment for your child.

We welcome you to our program and honor your commitment to your child in choosing our charter school. We recognize that any educational program, to produce growth, needs to have the parents of each child as a partner in the education process. To promote this in our school, we invite you to join us in the following areas:

- 1. We invite you to attend formal parent-teacher conferences twice a year (or as needed) to visit with the teacher about your student.**
- 2. We encourage parents to become educated concerning the Montessori experience by attending Parent Education Nights as offered by your child's classroom teacher and to observe in the classroom if possible.**
- 3. Discipline: We strive to structure the classroom environment for each student's success. In the case of unacceptable child behavior, we look to ourselves as teachers and administrators and assess how we impact the environment, making changes if necessary. If unacceptable behavior continues after we make changes, we may take further steps:*See Parent Handbook for the further steps that are taken when unacceptable behavior occurs.**
- 4. All parents are required to read the Student/Parent Handbook, which outlines your rights and responsibilities as a parent. You and your child will be held responsible for adhering to the guidelines outlined in the Student/Parent Handbook.**
- 5. We reserve the right to assess students and place them in the appropriate grade level/class.**
- 6. Please notify the office if you decide to withdraw your child from Montessori Education Centre-Charter School.**
- 7. Kindergarten date of birth cut off is December 31st.**
